## **Alert #20: Tax Revolt Update**

Dear Property Owners,

In early June we mailed a status update, a request for contributions and a sign up letter to all Incline Village and Crystal Bay property owners. So far we have received over 500 responses from that letter. Just in case you did not receive that letter or misplaced the letter, please go to the home page of our web site: [www.NevadaPropertyTaxRevolt.org](http://www.NevadaPropertyTaxRevolt.org) to read the letter. Our sincere thanks to those of you who have sent in contributions, Any additional contributions would be greatly appreciated.

**Heads Up** on a future alert. Within a month all property owners will be receiving their dreaded property tax bill. The bill is supposed to be mailed by July 7th, with the first payment is due a month later. We would like to suggest that all property owners make it a point to pay their property taxes under **protest**. Shortly we will be mailing a letter explaining in detail the reasons, benefits, and how to pay your property taxes under **protest**. Watch your mail box for this very important piece of information.

**Thank you again for your Support on our Property Tax Revolt,**

PS. As a side note, Lynn Hettrick was in town on Monday morning for a town hall meeting, to discuss how our STATE Government wants to extract more tax \$ from our pockets. Jim Clark wrote a summary memorandum on the meeting and where Nevada citizens can send emails, expressing their outrage over the proposed tax increases. Go to [www.NevadaPropertyTaxRevolt.org/clark.doc](http://www.NevadaPropertyTaxRevolt.org/clark.doc) to download and read Jim Clark's report.

This morning's Bonanza carried an article on the same meeting. Go to: <http://www.tahoebonanza.com/apps/pbcs.dll/article?AID=/20030625/NEWS/306250101> to read to story.
