

## Nevada Prop 13 efforts to get on the November Ballot

**ALERT: #47**

**DATE:** Tuesday, May 24, 2004

**TO:** Incline Village & Crystal Bay Property Owners

**FROM:** Nevada Property Tax Revolt Committee

**SUBJECT:** Campaign for a California Style Prop 13 in Nevada

Dear Property Owners,

Sharron Angle, a Nevada State Assembly woman, who represents half of Incline Village and Crystal Bay, and Assemblyman Don Gustavson have initiated a campaign to gather 53,000 signatures to place a citizens initiative on the November ballot, to allow the people of Nevada, the opportunity to vote on a "Prop. 13" style tax limitation initiative known as AJR 19. You may have heard Sharron discussing this initiative last week on the TV program "Nevada Newsmakers"

The efforts of the Village League are directed toward achieving a significant property tax reduction and possible refunds of over paid property taxes. A tax cap initiative, as proposed by Sharron Angle, would provide long term protection, after the reforms we believe will be achieved by the Nevada Property Tax Revolt.

These are two completely separate efforts which together hold promise for a real solution to our property tax problems.

Passage of Sharon's initiative would have a significant impact on property taxes for every property owner in the state. Therefore we forward this link to Sharon's web site at [www.sharronangle.net](http://www.sharronangle.net) alerting you to this property tax initiative.

If you are interested in reading the initiative click on this link, print out the petition, and review the language: <http://www.sharronangle.net/sharronangleweb/pdf/anglegustavson.pdf>

Regards,

Ted
